

FEE DETAILS

The following tuition and fee amounts represent, for planning purposes, estimates of the 2017-2018 and 2018-2019 tuition and fees for the MPP degree program. These fee estimates do not include living expenses.

These figures are not final. Actual tuition, fees, and charges are **subject to change** by the Regents of the University of California and could be affected by State funding commitments. Accordingly, final approved levels (and thus a student's final balance due) may differ from the amounts shown. For approved information regarding fees and/or tuition, please visit: http://registrar.berkeley.edu/current_students/registration_enrollment/feesched.html.

Estimated Enrollment Fees	2017-2018	2018-2019
California Resident	\$28,796	\$31,010
Non-Resident	\$41,621	\$43,863

If the Regents approve any fee increases different from those listed above, you will be responsible for any fee differentials. In recent years, we have seen year-over-year increases within 4-6%.

If you are an out-of-state student and a U.S. citizen, permanent resident, or hold a particular visa, you can apply for California residency prior to the second year of the program, thereby saving you the cost of out-of-state tuition in your second year. In order to establish residency, you need to follow the UC Berkeley Residency Office procedures as soon as you arrive this coming fall. For details, please visit the Residence Affairs website: <http://registrar.berkeley.edu/Residency/establish.html> and review the Residency Cheat Sheet and Frequently Asked Question on pages 37-38 of the admitted student packet. For questions regarding residency email orres@berkeley.edu.

For financial aid information see pages 8-9 of the admitted student packet.
